Summary

I am a self-taught individual, determined and enthusiastic about learning. I possess a strong sense of responsibility for self-development and harbor a creative mindset for personal growth. My self-confidence drives my willingness to adapt, demonstrate perseverance, and continually improve. With a lifelong passion for learning, I remain ever-ready to enhance myself.

EXPERIENCES

CONTENT CREATOR AT CAMPUS LITE

Created and published educational coding tutorial videos covering various topics in web development.

LEADERSHIP IN VARIOUS PROJECT

I will undertake numerous projects and lead teams throughout my university life. I have already completed nearly four major projects.

MENTOR AT IUBAT UNIVERSITY

During my time as a mentor at IUBAT University, I had the opportunity to guide and support students in their learning journey. Key responsibilities and achievements include:

EDUCATION

Bachelor's Degree in Computer Science
International University of Business Agriculture and Technology (IUBAT)
(Expected Year of Graduation: 2024)

CGPA: 3.65

CERTIFICATES

- Web Development Certificate from WT-Solver
- Currently pursuing a Machine Learning course from Creative IT

PROJECTS
